Death of Mrs. W. H. Williams. Mrs. Minerva Williams, wife of Esquire Wm. H. Williams, died of fever at 1 o'clock Tuesday morning, Oct. 24, at her home at the Old State Furnace Place, near town. Mrs. Williams was attacked by a severe spell of fever during the past summer. She lingered along and appeared to be getting well slowly after the severity of the first attack abated. But the first of the fever returned, and she suffered a relapse and her physician saw that the end was near at hand. All that loving ministrations could effect was done to make her last hours as easy as possible, and she fell into the last sleep, no more to awake in a troubled world.

Mrs. Williams was born near this town 54 years ago, and had resided in the county all of her life. She was a daughter of Richard and Margaret Stamper. Her sister, Mrs. Reuben Traylor, of Pendleton county, is the only surviving child of her father's family. She was married to Wm. H. Williams when a young woman and lived happily with him the balance of her life. The husband and the following children survive: Mrs. George Robertson, of Salt Lick Creek; John W., Keeper of the County Infirmary; William, of Hazelton, Kan.; Smith, of Frankfort, Kan.; Mrs. Lizzie Rodgers, of near town; Joseph, of Preston; and Elva and Lou, the two latter living at home. Mrs. Minerva Williams was a superior woman and one endowed with the noblest qualities of wife, mother and friend. She was idolized by her husband and children, and richly did she deserve it. She was the queen of her own home, and ruled her subjects by the intensity and unselfishness of her love. She was the embodiment of all the womanly virtues, and will be missed and mourned by each member of her family as long as they survive. She possessed a wide circle of friends, who loved and esteemed her for her kindness, tactful resources, gentle ministrations, and all those neighborly acts prompted by a unselfish friendship. Funeral services were held at the residence on Wednesday and at 10 o'clock a. m., the remains were interred in the Owensville Cemetery in the presence of a large number of sorrowful relatives and friends.

To My Customers: My loss in the late fire was a heavy one to me, and more fully do I realize this when I consider the expense that will necessarily be incurred in re-establishing my business. I have but one course to pursue—that is to collect every dollar due me. I regret the necessity which compels me to press my customers to a settlement, but my circumstances are such that I am compelled to get money, and I must require one and all indebted to me to make a settlement at once.

Please heed this appeal, as I cannot make any deviation from the rule—one and all must settle.

C. H. HOOS.

Notice. Having lost the principal part of our office in the fire, and as we were uninsured, the loss falls heavily on us. We have several hundred dollars due on subscription and for job work, we therefore take this method of asking our subscribers to come to our assistance. If you owe us please do not delay, but send the amount at once. Please do not neglect this moment. Send us the amount at once.

Tobacco Report. Exclusively for the Owensville Outlook, by J. & PHELPS & CO., of the "Planters' Tobacco Warehouse."

LOUISVILLE, KY., Oct. 29. This week has been a very active one. The market has at times shown irregularities and some grades showed a slight decline, especially in real good and fine tobacco. All bright and color goods held very firm in price. Red tips and common red leaf were strong. Reports now are that the crop is cut and housed and free from further damage. The general opinion is that the quality of the crop just cut will be unsatisfactory, with a good deal of green.
